#### Instructions for Presentations to the Board by Members of the Community

River Montessori Charter School welcomes your participation at the School's Board meetings. The purpose of a public meeting of the Board of Directors ("Board") is to conduct the affairs of the School in public. We hope that you will visit these meetings often and your participation assures us of continuing community interest in our School. To assist you in speaking/participating in our meetings, the following guidelines are provided.

- 1. Agendas are available to all community members
- 2. Community members who wish to speak on any agenda items or under the general category of "Public Comment" will be given an opportunity to do so.
- 3. "Public Comment" is set aside for members of the community to raise issues that are not specifically on the agenda. However, due to public meeting laws (Brown Act), the Board can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. Exceptions to these time limits may be made at the discretion of the Board Chair. The board may give direction to staff to respond to your concerns or you may be offered the option of returning with a citizen requested agenda item.
- 4. With regard to items that are on the agenda, you may speak for up to (3) minutes when the Board discusses that item. Exceptions to this time may be made at the discretion of the Board Chair.
- 5. Community members may request in writing that a topic related to school business be considered for placement on a future agenda. Requests should be addressed to the Board Chair. If such an item is placed on the agenda and publicly noticed, the Board can respond, interact, and act upon the item.
