A written record of the findings of any evaluation conducted pursuant to this policy shall be treated as a mandatory interim pupil record. The record shall be maintained for a period of three years from the date of the evaluation and, if the pupil transfers to another California public school, the record shall be forwarded to that school.

3. The Charter School shall provide content aligned to grade level standards that is provided at a level of quality and intellectual challenge substantially equivalent to in-person instruction.
4. The Charter School has adopted tiered reengagement strategies for all pupils who are not generating attendance for more than three (3) school days or 60% of the instructional days in a school week, or who are in violation of the written agreement pursuant to Education Code Section 51747(g).
