

## **Mission Statement**

The mission of River Montessori Charter School is to provide students with a learning culture grounded in Montessori Philosophy. This historically proven educational model supports the whole child, creates lifelong learners, and educates for peace. The resulting academic excellence is supported by a prepared classroom environment that inspires self-paced, individualized discovery; a love of learning; and respect for self, others, and the environment.

Our vision at RMCS is to create a Montessori learning community where children are inspired to realize their academic, personal, and social potential to become global citizens.
