

# Squares for Success

Hello, \_\_\_\_\_ is a student at River Montessori Charter School. River is a public Montessori school grades TK-6. Every year, the Foundation, a group of River parents along with the support of the River community, raise money to supplement the funding that River receives.

Would you like to help us achieve our fundraising goals?

It's easy! The number on the square you chose is the amount you donate. Mark an **X** when that amount is donated. How many squares can you cross off? Choose more than one square!

For payment, you can write a check, made out to "**River Montessori Foundation**" or use CheddarUp. Use the QR code to the right or type the link below.
